

**REMARKS**

Claims 1-163 appear to contain allowable subject matter. However, these claims are rejected on the ground of nonstatutory obviousness-type double patenting in view of claims 1-33 of U.S. Patent No. 6,906,327 and claims 1-42 of U.S. Patent No. 6,956,228.

Two terminal disclaimers are attached. The terminal disclaimers should overcome the nonstatutory obviousness-type double patenting rejections.

If the Examiner has any questions or wishes to further discuss this application, she is encouraged to contact the undersigned before issuing another office action

Respectfully submitted,

/Hugh Gortler #33,890/
